Instructor: Norm Habert

Class: Implementing MS 2000 Clustering

Date: 4-11-02

CLASS EVALUATION FORM

1. What did you like most and least about this class?
Worst Materials were not provided in a timely manner
Best the instructor had real world knowledge
2. What were your goals and expectations for this class?
~~most~~ To gain a better knowledge of clustering
3. Were your goals and expectations met?
yes
4. What other topics would you like to learn that we did not cover in this class?
NONE
5. How would you describe the quality and knowledge level of the instructor?
Very good (real world knowledge)
6. How can we improve our instruction technique?
Having materials available
7. Do you feel the course materials were helpful during the class?
When we had them
8. Do you feel the materials will be helpful to you for reference after class?
possibly
9. How would you rate the facilities, equipment and staff?
good
10. Overall, how would you rate this training experience?
good
11. Would you recommend this course to others?
yes

EDUCATION
& DESIGN**

Instructor: NORM HEBERT
Class: CLUSTERING
Date: 4/11/02

CLASS EVALUATION FORM

1. What did you like most and least about this class? *MOST: COVERAGE, INSTRUCTOR ABILITY*
LEAST: LACK OF MATERIALS AND PLANNING
2. What were your goals and expectations for this class?
LEARN MSCS
3. Were your goals and expectations met?
YES
4. What other topics would you like to learn that we did not cover in this class?
LOAD BALANCING CLUSTERS
5. How would you describe the quality and knowledge level of the instructor?
GREAT
6. How can we improve our instruction technique? *GET THE PROPER MATERIALS TO CLASS ~~ON~~ ON TIME*
7. Do you feel the course materials were helpful during the class?
DID NOT RECIEVE TILL DAY 3
8. Do you feel the materials will be helpful to you for reference after class?
YES
9. How would you rate the facilities, equipment and staff?
GREAT
10. Overall, how would you rate this training experience?
OK
11. Would you recommend this course to others? *YES*

Instructor: Norm Hebert

Class: MS Clustering

Date: 4-11-02

CLASS EVALUATION FORM

1. What did you like most and least about this class?
*Most: instructors personal experience with product
Least: lack of proper books in a timely fashion*
2. What were your goals and expectations for this class?
~~gain~~ gain a better understanding of MS Clustering
3. Were your goals and expectations met?
yes
4. What other topics would you like to learn that we did not cover in this class?
N/A
5. How would you describe the quality and knowledge level of the instructor?
very good
6. How can we improve our instruction technique?
N/A
7. Do you feel the course materials were helpful during the class?
see #7
8. Do you feel the materials will be helpful to you for reference after class?
yes
9. How would you rate the facilities, equipment and staff?
very good.
10. Overall, how would you rate this training experience?
very good
11. Would you recommend this course to others?
yes

Instructor: NORM HERBERT

Class: CLUSTERING

Date: 4/11/02

CLASS EVALUATION FORM

1. What did you like most and least about this class?
 MOST: GOOD INSTRUCTOR & LABS
 LEAST: BOOKS NOT AVAILABLE AT START OF CLASS
2. What were your goals and expectations for this class?
 LEARN MORE DETAILS & FINER POINTS OF THE MS CLUSTERING PRODUCT.
3. Were your goals and expectations met?
 YES
4. What other topics would you like to learn that we did not cover in this class?
 NONE
5. How would you describe the quality and knowledge level of the instructor?
 GOOD QUALITY MIXED W/ REAL WORLD EXPERIENCE
6. How can we improve our instruction technique?
 3. QUICKER PACE
7. Do you feel the course materials were helpful during the class?
 NOT AVAILABLE UNTIL DAY 2 & 3
8. Do you feel the materials will be helpful to you for reference after class?
 YES
9. How would you rate the facilities, equipment and staff?
 GOOD
10. Overall, how would you rate this training experience?
 GOOD DETAILED INSTRUCTION & LABS
11. Would you recommend this course to others?
 YES

COMPUTER
EDUCATION
& DESIGN

Instructor: NORM HERBERT

Class: WINDOWS CLUSTERING

Date: 9-11-02

CLASS EVALUATION FORM

1. What did you like most and least about this class?
LIKED GOOD INSTRUCTOR
DISLIKED NOT HAVING TIME ^{RIGHT} BOOKS AVAILABLE
2. What were your goals and expectations for this class?
OVERVIEW + HANDS ON
3. Were your goals and expectations met?
YES
4. What other topics would you like to learn that we did not cover in this class?
NA
5. How would you describe the quality and knowledge level of the instructor?
GOOD TO EXCELLENT
6. How can we improve our instruction technique?
NA
7. Do you feel the course materials were helpful during the class?
YES WHEN I GOT THEM
8. Do you feel the materials will be helpful to you for reference after class?
YES
9. How would you rate the facilities, equipment and staff?
GOOD
10. Overall, how would you rate this training experience?
GOOD
11. Would you recommend this course to others?
YES
WOULD HAVE BEEN EXCELLENT IF YOU PROVIDED THE CORRECT BOOKS AT THE START OF THE CLASS WE RECEIVED THE CORRECT BOOKS ON THE LAST DAY

CLASS EVALUATION FORM

1. What did you like most and least about this class?
AD HOC LABS - MOST
NO BOOKS - LEAST
2. What were your goals and expectations for this class?
BETTER UNDERSTANDING OF CLUSTERING AND ITS USAGE
3. Were your goals and expectations met?
SURE
4. What other topics would you like to learn that we did not cover in this class?
CLUSTERING ~~AND~~ ORACLE DB'S
5. How would you describe the quality and knowledge level of the instructor?
HIGH - DID A GOOD JOB EVEN WITH ALL THE PROBLEMS?
6. How can we improve our instruction technique?
7. Do you feel the course materials were helpful during the class?
I SUPPOSE THEY WOULD HAVE BEEN IF WE HAD RECEIVED THEM.
8. Do you feel the materials will be helpful to you for reference after class?
YES
9. How would you rate the facilities, equipment and staff?
VERY GOOD
10. Overall, how would you rate this training experience?
B-
11. Would you recommend this course to others?
YES.
