Address: <u>17506 LAKE WINDSOR DR</u>	Fax: _____	
City: <u>DELAND</u>	State/Province: <u>FL</u>	Country: _____
	ZIP: _____	

1. The primary industry of your firm or division is: *(Select only one.)*
 - Consumer products
 - Independent hardware vendor
 - Original equipment manufacturer
 - Manufacturing, electronics
 - Education, training
 - Independent software developer
 - Value added reseller
 - Government, military
 - Consultant, computer-related service
 - Banking
 - Finance
 - Insurance
 - Retail
 - Retail computer, dealer/distributor
 - Oil
 - Airlines

2. Success on your current job is based primarily on your ability to: *(Select only one.)*
 - Design, develop or test computer hardware or software
 - Sell computer hardware, software or services
 - Set long-term vision, strategies, plans and budgets for creation of information systems
 - Create detailed technical design for information systems
 - Implement, administer and troubleshoot information systems
 - Provide software technical support to computer users
 - Conduct training for computer users
 - Develop and write education materials or documentation for computer users
 - Publish computer industry information trends
 - Manager of above

3. How long have you worked with the products used in this course? *(Select only one.)*
 - less than 3 months
 - 3 months to 6 months
 - more than 6 months

4. How many months or years of related product experience do you have? *(Select only one.)*
 - less than 6 months
 - 6 months to 1 year
 - over 1 year and less than 2 years
 - over 2 years

5. How did you hear about this course? *(Select only one.)*
 - Referral from a co-worker
 - Referral from someone other than a co-worker
 - Advertisement
 - Trade show
 - MSDN CD-ROM
 - TechNet CD-ROM
 - http://www.microsoft.com/train_cert
 - Microsoft Solution Provider Authorized Technical Education Center
 - Special promotion

6. How are you going to use this class? *(Select only one.)*
 - Preparation to become a MCPS: Microsoft Certified Product Specialist
 - Preparation to become a MCSE: Microsoft Certified Systems Engineer
 - Preparation to become a MCSD: Microsoft Certified Solution Developer
 - Preparation to become a Microsoft Certified Trainer
 - Re-training for future job opportunities
 - Training of internal staff
 - Professional development

7. If you plan to become a Microsoft Certified Professional, what other method do you plan to use to prepare for your next Microsoft Certified Professional exam? *(Select only one.)*
 - Video
 - Self-study
 - Microsoft Press books
 - Resource Kit
 - MSDN CD-ROM
 - TechNet CD-ROM
 - MSTV

Indicate the degree to which you agree with each statement:

7. Strongly Agree 6. Agree 5. Mildly Agree 4. Neutral 3. Mildly Disagree 2. Disagree 1. Strongly Disagree

DEMOGRAPHICS

8. I met all course prerequisites.

COURSEWARE EVALUATION

9. The knowledge and skills covered in this course will help me do my job.

10. The course length is appropriate to cover the course content.

11. The balance between lecture and lab is appropriate.

12. The balance between technical theory and implementation details is appropriate.

13. The lab exercises are useful aids in learning the knowledge and skills covered in this course.

14. The graphics/multimedia elements helped to clarify technical concepts.

15. The course materials were easy to use.

16. I intend to use the course materials in the future.

What are your recommendations to Microsoft for making the course content and materials more valuable to you?

INSTRUCTOR EVALUATION

17. The instructor demonstrated technical expertise on the product and subject matter of this course.

18. The instructor controlled the training environment to promote learning.

19. The instructor used non-verbal teaching methods (white board, slides, demos, etc.) effectively.

20. The instructor explained technical concepts in a way which promoted understanding.

21. The instructor asked questions appropriately.

22. The instructor answered all appropriate questions clearly and completely.

23. The instructor's presentation was clear and well organized.

24. The instructor was available for student questions during labs and breaks.

25. I would highly recommend this instructor to my colleagues.

What are your recommendations for the instructor that will improve his or her effectiveness in delivering this course?

TRAINING CENTER EVALUATION

26. The computer equipment was functional.

27. The classroom configuration was comfortable to promote learning.

28. The staff of this training center were courteous and helpful to student needs.

What are your recommendations for improving the quality of service provided by this training center?

 - Set long-term vision, strategies, plans and budgets for creation of information systems
 - Create detailed technical design for information systems
 - Implement, administer and troubleshoot information systems
 - Provide software technical support to computer users
 - Conduct training for computer users
 - Develop and write education materials or documentation for computer users
 - Publish computer industry information trends
 - Manager of above

3. How long have you worked with the products used in this course? *(Select only one.)*
 - less than 3 months
 - 3 months to 6 months
 - more than 6 months

4. How many months or years of related product experience do you have? *(Select only one.)*
 - less than 6 months
 - 6 months to 1 year
 - over 1 year and less than 2 years
 - over 2 years

5. How did you hear about this course? *(Select only one.)*
 - Referral from a co-worker
 - Referral from someone other than a co-worker
 - Advertisement
 - Trade show
 - MSDN CD-ROM
 - TechNet CD-ROM
 - http://www.microsoft.com/train_cert
 - Microsoft Solution Provider Authorized Technical Education Center
 - Special promotion

6. How are you going to use this class? *(Select only one.)*
 - Preparation to become a MCPS: Microsoft Certified Product Specialist
 - Preparation to become a MCSE: Microsoft Certified Systems Engineer
 - Preparation to become a MCSO: Microsoft Certified Solution Developer
 - Preparation to become a Microsoft Certified Trainer
 - Re-training for future job opportunities
 - Training of internal staff
 - Professional development

7. If you plan to become a Microsoft Certified Professional, what other method do you plan to use to prepare for your next Microsoft Certified Professional exam? *(Select only one.)*
 - Video
 - Self-study
 - Microsoft Press books
 - Resource Kit
 - MSDN CD-ROM
 - TechNet CD-ROM
 - MSTV

Indicate the degree to which you agree with each statement:

7. Strongly Agree 6. Agree 5. Mildly Agree 4. Neutral 3. Mildly Disagree 2. Disagree 1. Strongly Disagree

DEMOGRAPHICS

8. I met all course prerequisites.

COURSEWARE EVALUATION

9. The knowledge and skills covered in this course will help me do my job.

10. The course length is appropriate to cover the course content.

11. The balance between lecture and lab is appropriate.

12. The balance between technical theory and implementation details is appropriate.

13. The lab exercises are useful aids in learning the knowledge and skills covered in this course.

14. The graphics/multimedia elements helped to clarify technical concepts.

15. The course materials were easy to use.

16. I intend to use the course materials in the future.

What are your recommendations to Microsoft for making the course content and materials more valuable to you?

INSTRUCTOR EVALUATION

17. The instructor demonstrated technical expertise on the product and subject matter of this course.

18. The instructor controlled the training environment to promote learning.

19. The instructor used non-verbal teaching methods (white board, slides, demos, etc.) effectively.

20. The instructor explained technical concepts in a way which promoted understanding.

21. The instructor asked questions appropriately.

22. The instructor answered all appropriate questions clearly and completely.

23. The instructor's presentation was clear and well organized.

24. The instructor was available for student questions during labs and breaks.

25. I would highly recommend this instructor to my colleagues.

What are your recommendations for the instructor that will improve his or her effectiveness in delivering this course?

TRAINING CENTER EVALUATION

26. The computer equipment was functional.

27. The classroom configuration was comfortable to promote learning.

28. The staff of this training center were courteous and helpful to student needs.

What are your recommendations for improving the quality of service provided by this training center?

23. The instructor's presentation was clear and well organized.

24. The instructor was available for student questions during labs and breaks.

25. I would highly recommend this instructor to my colleagues.

What are your recommendations for the instructor that will improve his or her effectiveness in delivering this course?

TRAINING CENTER EVALUATION

26. The computer equipment was functional.

27. The classroom configuration was comfortable to promote learning.

28. The staff of this training center were courteous and helpful to student needs.

What are your recommendations for improving the quality of service provided by this training center?

EDUCATION Course Evaluation Questionnaire

AND CERTIFICATION Microsoft Official Curriculum

Course Number: <u>2087</u>	Course Name: <u>Clustering Windows</u>	Date of Course: _____
MS ATEC Name: _____		MSP ID: _____
Instructor Name: <u>Norm Hebert</u>		Instructor's MCP ID: _____
Student Name: <u>Richard</u>		Evaluation ID: _____
Company Name: _____		Phone: _____
Address: _____		Fax: _____
City: _____	State/Province: _____	ZIP: _____
		Country: _____

1. The primary industry of your firm or division is: *(Select only one.)*
 - Consumer products
 - Independent hardware vendor
 - Original equipment manufacturer
 - Manufacturing, electronics
 - Education, training
 - Independent software developer
 - Value added reseller
 - Government, military
 - Consultant, computer-related service
 - Banking
 - Finance
 - Insurance
 - Retail
 - Retail computer, dealer/distributor
 - Oil
 - Airlines

2. Success on your current job is based primarily on your ability to: *(Select only one.)*
 - Design, develop or test computer hardware or software
 - Sell computer hardware, software or services
 - Set long-term vision, strategies, plans and budgets for creation of information systems
 - Create detailed technical design for information systems
 - Implement, administer and troubleshoot information systems
 - Provide software technical support to computer users
 - Conduct training for computer users
 - Develop and write education materials or documentation for computer users
 - Publish computer industry information trends
 - Manager of above

3. How long have you worked with the products used in this course? *(Select only one.)*
 - less than 3 months
 - 3 months to 6 months
 - more than 6 months

4. How many months or years of related product experience do you have? *(Select only one.)*
 - less than 6 months
 - 6 months to 1 year
 - over 1 year and less than 2 years
 - over 2 years

5. How did you hear about this course? *(Select only one.)*
 - Referral from a co-worker
 - Referral from someone other than a co-worker
 - Advertisement
 - Trade show
 - MSDN CD-ROM
 - TechNet CD-ROM
 - http://www.microsoft.com/train_cert
 - Microsoft Solution Provider Authorized Technical Education Center
 - Special promotion

6. How are you going to use this class? *(Select only one.)*
 - Preparation to become a MCPS: Microsoft Certified Product Specialist
 - Preparation to become a MCSE: Microsoft Certified Systems Engineer
 - Preparation to become a MCSD: Microsoft Certified Solution Developer
 - Preparation to become a Microsoft Certified Trainer
 - Re-training for future job opportunities
 - Training of internal staff
 - Professional development

7. If you plan to become a Microsoft Certified Professional, what other method do you plan to use to prepare for your next Microsoft Certified Professional exam? *(Select only one.)*
 - Video
 - Self-study
 - Microsoft Press books
 - Resource Kit
 - MSDN CD-ROM
 - TechNet CD-ROM
 - MSTV

Indicate the degree to which you agree with each statement:

7. Strongly Agree 6. Agree 5. Mildly Agree 4. Neutral 3. Mildly Disagree 2. Disagree 1. Strongly Disagree

DEMOGRAPHICS

8. I met all course prerequisites.

COURSEWARE EVALUATION

9. The knowledge and skills covered in this course will help me do my job.

10. The course length is appropriate to cover the course content.

11. The balance between lecture and lab is appropriate.

12. The balance between technical theory and implementation details is appropriate.

13. The lab exercises are useful aids in learning the knowledge and skills covered in this course.

14. The graphics/multimedia elements helped to clarify technical concepts.

15. The course materials were easy to use.

16. I intend to use the course materials in the future.

What are your recommendations to Microsoft for making the course content and materials more valuable to you?

INSTRUCTOR EVALUATION

17. The instructor demonstrated technical expertise on the product and subject matter of this course.

18. The instructor controlled the training environment to promote learning.

19. The instructor used non-verbal teaching methods (white board, slides, demos, etc.) effectively.

20. The instructor explained technical concepts in a way which promoted understanding.

21. The instructor asked questions appropriately.

22. The instructor answered all appropriate questions clearly and completely.

23. The instructor's presentation was clear and well organized.

24. The instructor was available for student questions during labs and breaks.

25. I would highly recommend this instructor to my colleagues.

What are your recommendations for the instructor that will improve his or her effectiveness in delivering this course?
